Sant Joan de Binissaida

An artistic experience in the east of Menorca.

Sant Joan de Binissaida and Quarantine offer you the opportunity to immerse yourself in the world of art in a privileged, historical setting of incomparable natural beauty.

If you have been one of the artists selected for the next edition of the artistic program *Quarantine Fire Walk With Me*, which will take place from October 16th to 22nd, and you want to extend the experience moving away in a natural setting, Sant Joan de Binissaida is your best option.

What is Quarantine?

What if I told you that there is a private island, run by artists, in the heart of the Mediterranean? With free beer and no cell phones? Quarantine is an art events label run by leading artists in Menorca, Spain. We are a community of artists, art lovers, and open-minded humans. We offer what academic education, by its very nature and purpose, cannot provide: **progress as an artist, not as an art student.**

The October 2023 edition will be led by the mentors Lita Cabellut, Guillermo Lorca, Vincent Desiderio, Martin Wittfooth, Miles Johnston, Ryan Heshka, and Kirsten Anderson, and will take place on the island of Lazareto, a few minutes drive from Sant Joan de Binissaida. Sant Joan de Binissaida

Sant Joan de Binissaida is a venue that has a rural hotel located in a house 18th century manor. It is in the eastern part of the island of Menorca, very close to the entrance to the port of Mahón. The hotel has fifteen rooms, a restaurant with its own orchard, twelve hectares of gardens and green areas, a large outdoor pool, playground, massage service, meeting room with fireplace and a beautiful space for all kinds of events. Sant Joan de Binissaida is the destination ideal for people looking for a connection with the essence of Menorca through projects rooted in the land.
